ICMJE Form for Disclosure of Potential Conflicts of Interest

Section 1. Identifying Information

1. Given Name (First Name)  
Andrianna

2. Surname (Last Name)  
Ayiotis

3. Date  
26-September-2019

4. Are you the corresponding author?  
☒ Yes  ☐ No  
Corresponding Author's Name  
Charles C. Della Santina

5. Manuscript Title  
Continuous Vestibular Implant Stimulation Partially Restores Eye-Stabilizing Reflexes

6. Manuscript Identifying Number (if you know it)  
128397-INS-CMED-RV-3

Section 2. The Work Under Consideration for Publication

Did you or your institution at any time receive payment or services from a third party (government, commercial, private foundation, etc.) for any aspect of the submitted work (including but not limited to grants, data monitoring board, study design, manuscript preparation, statistical analysis, etc.)?  
☐ Are there any relevant conflicts of interest?  
☒ Yes  ☐ No

If yes, please fill out the appropriate information below. If you have more than one entity press the "ADD" button to add a row. Excess rows can be removed by pressing the "X" button.

Devices and equipment were produced and provided by Labyrinth Devices, LLC, to Johns Hopkins University (JHU) School of Medicine under a sponsored research agreement in accordance with JHU policies.

Components of devices and equipment provided by Labyrinth Devices, LLC, to Johns Hopkins University (JHU) School of Medicine under a sponsored research agreement in accordance with JHU policies were produced and provided by MedEl GmbH to Labyrinth Devices, LLC.
ICMJE Form for Disclosure of Potential Conflicts of Interest

Section 3. Relevant financial activities outside the submitted work.

Place a check in the appropriate boxes in the table to indicate whether you have financial relationships (regardless of amount of compensation) with entities as described in the instructions. Use one line for each entity; add as many lines as you need by clicking the “Add +” box. You should report relationships that were present during the 36 months prior to publication.

Are there any relevant conflicts of interest?  ☑ No

Section 4. Intellectual Property -- Patents & Copyrights

Do you have any patents, whether planned, pending or issued, broadly relevant to the work?  ☑ No

Section 5. Relationships not covered above

Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?

☑ No other relationships/conditions/circumstances that present a potential conflict of interest

At the time of manuscript acceptance, journals will ask authors to confirm and, if necessary, update their disclosure statements. On occasion, journals may ask authors to disclose further information about reported relationships.

Section 6. Disclosure Statement

Based on the above disclosures, this form will automatically generate a disclosure statement, which will appear in the box below.

Andrianna Ayiotis reports that this research was supported by grants from NIH/NIDCD awarded to Johns Hopkins University (JHU) and that Labyrinth Devices, LLC, provided JHU with devices and equipment, components of which were produced and provided to Labyrinth Devices by Med-El GmbH.

Section 5. Relationships not covered above

Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?

☐ Yes, the following relationships/conditions/circumstances are present (explain below):

✓ No other relationships/conditions/circumstances that present a potential conflict of interest

At the time of manuscript acceptance, journals will ask authors to confirm and, if necessary, update their disclosure statements. On occasion, journals may ask authors to disclose further information about reported relationships.

Section 6. Disclosure Statement

Based on the above disclosures, this form will automatically generate a disclosure statement, which will appear in the box below.

Dr. Schoo reports that this research was supported by grants from NIH/NIDCD awarded to Johns Hopkins University (JHU) and that Labyrinth Devices, LLC, provided JHU with devices and equipment, components of which were produced and provided to Labyrinth Devices by Med-El GmbH.

**Section 1. Identifying Information**

1. **Given Name (First Name)**  
   Michael  

2. **Surname (Last Name)**  
   Schubert  

3. **Date**  
   26-September-2019  

4. **Are you the corresponding author?**  
   Yes [✔]  

5. **Manuscript Title**  
   Continuous Vestibular Implant Stimulation Partially Restores Eye-Stabilizing Reflexes  

6. **Manuscript Identifying Number (if you know it)**  
   128397-INS-CMED-RV-3  

**Section 2. The Work Under Consideration for Publication**

Did you or your institution at any time receive payment or services from a third party (government, commercial, private foundation, etc.) for any aspect of the submitted work (including but not limited to grants, data monitoring board, study design, manuscript preparation, statistical analysis, etc.)?

Are there any relevant conflicts of interest?  
[✔] Yes  
[ ] No  

If yes, please fill out the appropriate information below. If you have more than one entity press the "ADD" button to add a row. Excess rows can be removed by pressing the "X" button.

ICMJE Form for Disclosure of Potential Conflicts of Interest

Section 3. Relevant financial activities outside the submitted work.

Place a check in the appropriate boxes in the table to indicate whether you have financial relationships (regardless of amount of compensation) with entities as described in the instructions. Use one line for each entity; add as many lines as you need by clicking the “Add +” box. You should report relationships that were present during the 36 months prior to publication.

Are there any relevant conflicts of interest?  

☐ Yes  ☑ No

Section 4. Intellectual Property -- Patents & Copyrights

Do you have any patents, whether planned, pending or issued, broadly relevant to the work?  

☐ Yes  ☑ No

Section 5. Relationships not covered above

Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?

☐ Yes, the following relationships/conditions/circumstances are present (explain below):

☑ No other relationships/conditions/circumstances that present a potential conflict of interest

At the time of manuscript acceptance, journals will ask authors to confirm and, if necessary, update their disclosure statements. On occasion, journals may ask authors to disclose further information about reported relationships.

Section 6. Disclosure Statement

Based on the above disclosures, this form will automatically generate a disclosure statement, which will appear in the box below.

Dr. Schubert reports that this research was supported by grants from NIH/NIDCD awarded to Johns Hopkins University (JHU) and that Labyrinth Devices, LLC, provided JHU with devices and equipment, components of which were produced and provided to Labyrinth Devices by Med-El GmbH.
